

Canning / Can Mfg Belting Program

Shingle Belting is pleased to offer its full line of belting products. Shingle Belting is manufactured in the USA and designed to meet our customers' needs:

S/S & Polyester Can Cable

- Replaces traditional braided cable
- Wear-resistant cover
- Can be spliced in 20 minutes reducing downtime
- Low cost, in-house splicing equipment

Can elevators

- High tensile, grip top for full can elevators [2M8-PF10]
- Abrasions resistant smooth top for empty can elevators [Polyflex 30SR]
- Easy, fast splices to minimize downtime

Miscellaneous belting

- SG399 for Soudronic side seamers
- Polyflex 30SR for Littell sheeters & Lid conveyors
- Polyflex labeler belt for Mateer-Burt labeller
- Rounthane & Veethane for miscellaneous conveyors
