**UNWIND / REWIND BELTS**

**Nycor Belting Program**

Shingle Belting is pleased to offer its full line of Nycor nylon core belting products to the paper converting industry. Our Shingle nylon core belting products have been designed and built to meet the specific requirements of paper converters across the U.S. For unwind / rewind we offer the following belt types:

Belt Style	Composition	Application
SG25A Nylon	2.0 mm High Tensile Rubber / Tensile nylon core	Unwind / Rewind
SG25B Nylon	2.0 mm High Tensile Rubber / Rubber nylon core	Unwind / Rewind
SG25C Nylon	4.0 mm High Tensile Synthetic Leather / Rubber nylon core	Unwind / Rewind

Extend your unwind / rewind belt life with Shingle Belting's:

- Abrasion resistant SG covers
- Custom engineered splice materials
- Special core winder lap

See the back of this brochure for our full line of problem solving nylon core belts.

**SHINGLE BELTING**

**Special SG Nycor Promotion**

**SHINGLE BELTING**

**SG Nycor Folder-Gluer Belting**  
800-345-6294

Shingle Belting's SG25B, SG25C, SG25D, and SG25E have been proven winners in the folder gluer belting market for many years. In order to increase sales of these products, we are offering a special promotion on full rolls of the above four belt types.

On minimum rolls of 200' x 4" we offer competitive pricing in combination with the following Shingle Nycor advantages:

- Shingle Belting's carbonized rubber covers are the best in the business and will extend your belt life with decreased cover wear.
- Our competitor's 5-pieces of faster gluer belts have 10, 20, 30 & 35 band nylon cores. We have our own 10, 20, 30, 35 & 35 band nylon cores respectively. This means **longer belt life** and **lower stocking** due to greater lateral stability.
- Shingle Belting's minimum roll size is 200' x 4". This means **lower inventory** costs.
- Shingle Belting is committed to keeping the number of distributors in any given geography in order to provide **superior service** for our distribution network.

Please contact your local Shingle Belting technical sales expert at 800-345-6294 for any additional information.

**CORE WINDER BELTS**
